LOCAL DEPARTMENT.

Wednesday, Dec. 18, 1867.

We will thank our readers for all local occurrences in their immediate localities. If they do not desire to write a communication for the public eye, we then need a brief statement of everything of interest in their respective communities. A list of marriages, deaths, accidents, fires, removals, business changes, &c. We will put them in order. The more facts of this kind we have the better it will serve us and our readers. Who will do it?

The *Advertiser*—Persons wishing advertisements inserted, must have them in early on Tuesday morning to insure their insertion for that week.

The accounts of the firm of JACOBY & SHUMAN as far as sent out for collection are in the hands of the following persons:

Longsellers, Centralia, and Ashland.—JOHN HARNER.

In Superior Township, bills for collection have been placed in the hands of MONTGOMERY COLE, to whom payment is requested to be made at the earliest convenience.

In Scott Township, all persons knowing themselves in arrears for subscription, and advertising, to the *Democrat*, will please make payment to JOSEPH LILLEY.

Huntington.—PANUEL HARTMAN.

Orange.—MICHAEL KELLER.

Madison.—WILLIAM MCINNICH.

Hempfield.—JASPER NEYHART.

Harrisburg.—MATTHEW M. APPLEGATE.

The Members of the M. E. Church are holding a revival meeting in this place.

See change of time in the Philadelphia & Reading Railroad advertisement in today's *Democrat*.

A slight change has been made in the time-table of P. & E. R. R. published in this paper.

Excellent sleighing in these parts, Bangor, Maine, can't beat us now, in this article.

The *Gazette* says the First National Bank of Berwick declared a dividend of five per cent, free of all taxes, on the second day of December.

The friends of the Rev. James M. Price will pay him a donation visit at his residence in Scott Township, near Lower Lime Ridge, on Thursday and Friday next.

Beef was sold in this market on Saturday last at 8 cents per lb. for hind quarter. It paid 11 cents in the earlier part of the day.

DEDICATED.—The newly erected Church edifice of the Evangelical Association at Foundryville, Columbia County, will be dedicated to the service of God on Sunday, the 26th of December 1867.

DONATION.—The friends of Rev. A. H. Irvine will make him a donation visit at his residence, in Evansville, Columbia County, on Thursday (Evening included) December 26th 1867. All are respectfully invited to attend.

The person who fed our dog "tip" a dose of poison two weeks ago would do us a favor by giving his name either in person or by note, as we should like to have some conversation with him relative to putting our kind and faithful little "tip" so summarily "out of the way." He was never known to have any one, and the day he was poisoned had not been out of our office an hour, when the word was brought to us that the little fellow had taken his last breath, larked his last bark, and kicked his last kick, in a Street near our residence. His remains were brought home and properly interred. It was a sorrowful day for dogs several others we have met the same untimely end. Though our "dog" was no source of profit to us, but always attracted his share of attention, both in the office and at the place of residing his daily rations, yet we earnestly protest against this kind of treatment to innocent and inoffensive canines.

ORANGEVILLE SPORTSMEN.

C. C. M. may still continue to sell groceries and dry goods as cheap as the cheapest to be found in this market. Some Grocers still cheap for a day or two as a "bait," but this is not the case with M. C. Call and try him, if you have any doubts, and if you haven't call anyhow.

Short-Lived Perfume.—The Sunbury *Gazette* lately said that the name of Grant perfumed the air from Maine to the Rio Grande. This sweet smell didn't last long, for as soon as Grant's Testimony before the Impeachment Committee was published this general perfume that pervaded the entire country and only entered the nostrils of Radicals, suddenly turned into an ugly stink! Since then the Radicals are as much to Grant. He has lost his sweet smell. He don't stink a bit like a nigger anymore. —*Schaeffer's Times*.

Mrs. PARTINGTON INSURTED.—The White Mountains of New Hampshire are evidently a great institution—very high, very frosty, beautiful view, four dollar dinners. But the practical eye of a certain renowned Dr. Drake saw those smooth-faced banks, an thenon adorned and vanegated the bridle path to the Tip Top House with his familiar S. S.—Issoo-N. PLANTATION BITTERS. This raised the fee of the Mrs. Partington composing the Legislature of the Granite State, who got their wise heads together, outlawed Dr. Drake, and made it a penal offence to ply the artistic brush on their beloved hills. Verily, the fine arts are at a discount in New Hampshire. Query.—Did Drake pay them for this splendid advertisement?

MAONIA WATER.—A delightful toilet article—superior to Cologne and at half the price.
